Dear Board of Trustees,

Michael J. Keeler
Citizen Representative

The Genesee County Parks and Recreation Commission is in the process of updating its Community Park, Recreation, Open Space and Greenway Plan.

Joe Krapohl
Citizen Representative

Public input will be gathered through a digital survey sent to County residents. An open survey will also be available on our website to give all Genesee County residents an opportunity to share their thoughts about the County Parks' facilities, programs and priorities.

As in our last 5-year plan, we are extending an invitation to each local unit of government to "opt-in" to the action program section of the plan. Opting in to the Genesee County Park, Recreation, Open Space, and Greenway Plan will not replace your local parks, recreation, open space and greenway plan. It also will not give the County Parks any authority over your parks.

Opting in to the County Parks plan is a no-cost way to demonstrate the type of cooperative planning efforts that the state is encouraging in several initiatives that may, ultimately, provide access to additional resources for individual communities and for the Genesee County region as a whole.

It is easy for your community to opt-in. All that is needed is a copy of the action program from your local Community Park, Recreation, Open Space and Greenway Plan and a resolution from your governing board authorizing the Genesee County Parks and Recreation Commission to include your action plan in the Genesee County Parks' Community Park, Recreation, Open Space and Greenway Plan. All resolutions and action plans must be received by Wednesday, October 24, 2018 to be included in the current update.
