

# Welcome to Montrose Township

## Letter from your Township Supervisor

Welcome to the Township of Montrose. I hope you will look upon Montrose as your hometown as I do.

Montrose is a great place to live. I raised my own family in Montrose Township and now my grandchildren are growing up here, too. I encourage you to become involved in our community, government and programs. Accompanying this letter is “a house-warming” gift for you ~ a collection of important information, telephone numbers and resources to help you settle into your new community.

You may also want to visit our Web Site at [www.montrosetownship.org](http://www.montrosetownship.org) for a more comprehensive look at your new government.

Sincerely,

Mark Emmendorfer
