Reference: Poverty Exemption Application

Dear Property Owner,

In order to be in compliance with the requirements of MCL 211.7u of the General Property Tax Act the Township Board has reviewed and updated the guidelines to be used by the Board of Review in granting poverty exemptions for the 2018 taxing year. Attached is a poverty exemption application that **must be completely filled out and returned in person with all the required necessary information. Failure to comply with all the guidelines will result in the denial of a poverty exemption.**

**If you are not required to file any income tax returns, the law now allows for the filing of an affidavit attesting that you do not file any income tax returns.**

Please read the attached Poverty Exemption Application carefully, if you have any questions please contact the Assessors Office for assistance.

Again, you must complete the poverty exemption application and contact the Assessors Office to schedule an appointment with the March Board of Review, so that a poverty exemption can be discussed and reviewed with you. Failure to submit all of the required information and meet with the Board of Review will result in the denial of a poverty exemption. Also please be advised that if you are unable to attend any of the scheduled meetings in March, you may elect to come to the July Board of Review meeting which is held to review clerical errors and poverty exemptions only.

Sincerely,

Dennis Miller  
Assessor

ALL INFORMATION DISCLOSED WILL REMAIN STRICTLY CONFIDENTIAL.

## MONTROSE TOWNSHIP 2018 POVERTY EXEMPTION APPLICATION

The Board of Review may consider a poverty exemption outside of the established guidelines when a property owner can prove that they have situations that effect their household income. Poverty Exemption applications must be filed **ANNUALLY** with the Montrose Township Board of Review. **ALL APPLICANTS MUST APPEAR IN PERSON BEFORE THE BOARD OF REVIEW.** Applicants **MUST BE OWNERS** of homestead property, and provide complete copies of the items below to the Board of Review. The Board of Review will consider income according to Federal Poverty Income Standards, revenue and non-revenue producing assets as well as other available property tax relief such as the Michigan Homestead (MI-1040CR) Income Tax Credit.

The Montrose Township Board is required by Section 7u of the General Property Tax Act, Public Act 206 of 1893 (MCL 211.7u), to adopt guidelines for poverty exemptions, the following guidelines have been adopted by the Township Board for the Board of Review to implement. The guidelines shall include but not be limited to the specific income and asset levels of the claimant and all persons residing in the household, including any property tax credit returns, filed in the current or immediately preceding year.

To be eligible, a person shall do all the following on an annual basis:

1) Be an owner of and occupy as a homestead the property for which an exemption is requested. A property is defined by a parcel number on the assessment and or tax roll for the Township and is recorded with a "principal residence exemption", which includes qualified agricultural property.

2) File a claim with the board of review or supervisor, accompanied by federal and state income tax returns, complete with W-2's for all persons residing in the homestead, in the immediately preceding year or in the current year. **PROVIDING COPIES OF INCOME TAX RETURNS IS REQUIRED FOR THE PROPERTY OWNER FILING THE EXEMPTION APPLICATION.** For all other persons residing in the homestead the law does allow for the filing of an affidavit attesting that a taxpayer does not file income tax returns. The law requires the applicant to file and produce an income tax return even if that return is a zero filing.

End of year Social Security and/or Pension statement from all household members.

End of year statement of benefits from any Federal or State Aid Programs, such as ADC, GA, SSI, VA, etc., from all household members.

Statement of Unemployment benefits received from all household members.

Bank or Credit Union statements reflecting interest earned from all household members.

Statements of Income received from dividends, net rental income, net royalties, Estate or Trust Funds and net gambling lottery winnings.

Statements of alimony, child support, and military family allotments or other regular support from an absent family member or someone not living in the household.

3) Produce a valid drivers' license or other form of identification if requested.

4) Produce a deed, land contract, or other evidence of ownership of the property for which an exemption is requested if requested.

5) Meet the federal poverty income guidelines as defined and determined annually by the US Department of Health and Services.

6) Complete the attached application for an exemption in its entirety and file said application prior to the last day of the Board of Review.

7) Appear in person at the Board of Review and sign the application in the presence of the Board of Review members after an oath is administered unless infirmity or disability does not allow. In such cases, applicants may send a representative in their absence as pre-arranged.

8) Meet the following additional requirements as approved by the Township Board:

Understand that the Board of Review will consider all assets owned by petitioner in its deliberations as to whether relief should be granted.

Own total household assets (excluding the real estate value of the homestead and vehicle(s) as outlined separately herein) of less than \$25,000.

Own no more than one vehicle for each working adult whose income contributes to the financial revenue as listed in accordance with item 2) above.

Own no rental properties and or a second home or vacation home or other property.

Own no other additional assets in excess of \$25,000 in total. Additional assets to include but not be limited to, recreational vehicles such as campers, motor homes, boats or ATV vehicles, and other personal property of value.

Shall not have received money from the sale of any stocks and bonds, or received gifts, loans, lump-sum inheritances, one-time insurance payments, tax refunds exceeding \$2,500 in value.

In addition to the federal poverty income guidelines as mentioned in item 5) above, a hardship situation does not exist when all non-refundable property taxes do not exceed 5% of the household/owners adjusted income.

A property owner may appeal the Board of Review's decision on a poverty exemption to the Michigan Tax Tribunal. An assessor may also appeal the Board of Review's decision on a poverty exemption to the Michigan Tax Tribunal.
